

## MEMORANDUM

Date: April 11, 2013

To: Senator Dutremble Chair  
Representative Shaw Chair  
Members of the Joint Standing Committee on Inland Fisheries & Wildlife

From: Chandler Woodcock, Commissioner

Subject: Letter opposition to L.D. 911 in lieu of testimony.

---

Dear Committee Members,

LD 911 would increase the resident ATV registration fee from \$33 to \$38 annually. It would also increase the nonresident registration fee.

The Department of Inland Fisheries and Wildlife along with the Maine Department of Agriculture, Conservation and Forestry oppose this bill because it is a direct fee increase.

If you have any additional questions or concerns please feel free to contact Christl Theriault, Assistant to the Commissioner of Inland Fisheries and Wildlife at 287-1197 or Mari Wells-Eagar, Assistant to the Commissioner of the Department of Agriculture, Conservation and Forestry at 287-4909.
